

2020 YEAR IN REVIEW

The year 2020 has been a remarkable one for us. In these challenging times, our community has come together. We have been fortunate to have grown significantly in team, capabilities, and usage.

19 of the Dow 30 companies

We pinch ourselves everyday over how fortunate we are to work with such an amazing set of individuals and institutions, and that they trust us to help them safeguard what matters most to them from threats, be it their businesses and customers or our society at large. A big thank you to our customers for your trust, and to our partners and the incredible infosec community who help us deliver on our mission every day.
